

Reference 01—Resource Center, References, Reading List

IPER Resource Center

Locating information and guidance specific to your state or territory

The following table lists topics for which we expect to use the Intergovernmental Preparedness for Essential Records (IPER) Resource Center to locate documents and information that apply specifically to your state or territory. We have provided space in which you can make notes and/or record URLs so you'll be able to find these items easily when you need them again. The URL to the Resource Center's home page is: <http://www.statearchivists.org/resource-center>

Table 1: State-Specific Information

TOPIC		NOTES
1	Main page for my state or territory in the IPER Resource Center	
2	Archives and records management program(s) for my state or territory	
3	Definitions of essential records in statutes and regulations	
4	Records retention and disposition schedules applicable to my agency	
5	Laws and regulations addressing emergency management and records management	
6	Resources on identifying risks that are relevant to my state	
7	Records storage services for state and local governments in my jurisdiction and my state's specific storage regulations that apply to essential records	
8	Regulations or guidelines re: the protection of records, e.g., backup requirements, media and environmental standards, offsite storage providers	
9	Continuity of Operations (COOP) Plan that applies to my state or jurisdiction and/or COOP Plan examples and templates
